PROPERTY UPDATE

At its meeting last week, the Deacon's Court agreed to progress with the internal works to the main sanctuary of the Church. In the first instance, the work will involve painting and decorating of all walls and ceilings, removal of pews in front of the curtain (to be replaced with chairs), retention of pews behind the curtain, new radiators around the perimeter of the sanctuary and a new floor covering. In due course the entrance vestibule area (including replacement of main door) and staircase area will also be upgraded. It is hoped the works will commence in August and will likely take a number of months. Updates of the work will be provided via the bulletin sheet. The church building will not be available during the works and from **2nd August 2026 until further notice, all services will be held in Bragar.**
