

National Day of Prayer 2024

Guide to resources

Introduction

The 2024 National Day of Prayer takes place on Wednesday 27th November. This year we will be looking at four key areas: Local churches, the nation, the life of our nation, and our world.

This year we have the following resources to help you lead a time of prayer in your congregations:

- PowerPoint presentation (attached) with prayer points relating to each area.
- Prayer points in PDF format (attached). There is also additional information about each of the areas, which provides further details to inform your prayers.
- Notes on Prayer and Fasting
- Online lunchtime prayer meeting to pray with Christians across the nation (details below)

Please note prayer points have been compiled to cover various aspects of the church, nation and society. This list is neither exhaustive nor prescriptive, so please feel free to choose some of, or add your own prayer points in as you feel appropriate.
