

Reflections

REFLECTIONS

Women's Conference
on 21st September 2024 in Back Free Church Hall from
10am to 3pm

*Reflections on....
service to our communities and each other as we serve God*

Key speaker
Lisa MacLean

We are delighted that Lisa MacLean from Northern Ireland will lead the conference. She was instrumental in creating the 'Ministry for Women' initiative several years ago in Back so it is a particular pleasure to invite her to its first conference.

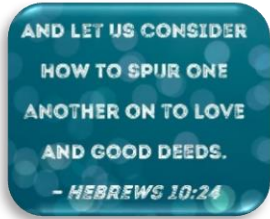

Lisa was born in Northern Ireland and came to live in Lewis with her husband, Ali MacLean, who is from Back. They are now back in Belfast where she is a prominent advocate for women and Christian service.

"Servant leadership is what I subscribe to and for me that isn't what I consider weak leadership, in fact the complete opposite." Lisa Maclean, CEO of Belfast charity Footprints Women's Centre

We will also hear from Nina Ulinici, a pastor's wife in Nisporeni, Moldova. Nina is very active in supporting women and young girls as part of her service to God there.

Nina Ulinici

As part of Back Free Church’s ‘Ministry for Women’ we work alongside the Kirk Session in supporting families and delivering pastoral care for women in our communities. This conference seeks to explore how each of us can benefit from women-focused ministries.

Spaces are limited so register by sending form below to
