

## REMEMBER THE SABBATH DAY

The Lewis Branch of Day One (LDOS) has commissioned the publication of a new book on the Lord's Day. The book is entitled '*Remember the Sabbath Day – Is the Lord's Day still relevant in the twenty-first century?*' There are seven chapters in the book contributed by seven different ministers from across the Island Church community.

The observance of the Christian Sabbath is in decline and the importance of it to the Christian community and the wider world cannot be over emphasised. The observance of the Lord's Day as the Christian Sabbath is key to the general health and wellbeing of humankind and to the spiritual wellbeing of the children of God.

This Book helps to remind us of the basic truths underlying the Sabbath day and is a great source of information to help us rediscover what the Bible says about the Lord's Day.

It is available on the Day One website [here](#), in the Stornoway Religious Bookshop on Kenneth Street, Stornoway, or by contacting the Local Branch of the LDOS on [lewisldos@hotmail.com](mailto:lewisldos@hotmail.com)

The Book is priced at £6.00. A limited number of copies are available at the door today at the reduced price of £5.00 each. If you wish to buy a copy, please put your name on the sheet provided and bring payment for the book in an envelope marked with your name and the title of the book – Remember the Sabbath Day.
